SCHEDULE 17: SIGNIFICANT ACCOUNTING POLICIES

1. **Basis of preparation**
   The accompanying financial statements have been prepared in accordance with historical cost convention on accrual basis except as otherwise stated and in accordance with the generally accepted accounting principles and statutory provisions prescribed under the Banking Regulations Act 1949, circulars and guidelines issued by the Reserve Bank of India (RBI), Notified accounting standards by Companies (Accounting Standards) Rules, 2006 to the extent applicable and current practices prevailing within the banking industry in India.

2. **Use of Estimates**
   The preparation of financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses for the reporting period. Management believes that the estimates used in the preparation of the Financial Statements are prudent and reasonable. Future results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

3. **Transaction involving foreign exchange**
   a) Monetary assets and liabilities denominated in foreign currencies and outstanding forward exchange contracts except foreign currency deposit swaps are revalued at the year end exchange rates notified by the Foreign Exchange Dealers' Association of India (FEDAI) and the resultant gains or losses are recognised in Profit and Loss Account.
   b) Income and expenditure in foreign currencies are translated at the rates prevailing on the date of the transaction.
   c) Acceptances, endorsements and other obligations in foreign currencies are stated at the year end exchange rates notified by FEDAI.

d) Foreign currency swaps are marked to market using respective discount rates for foreign currency cash flows. All transactions are then recorded at spot rates notified by FEDAI. The profit or loss on revaluation is recorded in the profit and loss account and is included in other assets/other liabilities. The notional values of these swaps are recorded as contingent liabilities. The premium or discount on swap contracts hedging the foreign currency risk is amortised over the period of the swap contract in accordance with FEDAI guidelines.

4. Investments

For presentation in the Balance sheet, investments (net of provisions) are classified under the following heads – Government securities, Other approved securities, Shares, Debentures and Bonds, Subsidiaries and Joint Ventures and Others, in accordance with Third Schedule to the Banking Regulation Act, 1949.

Accounting and Classification

As per the guidelines for investments laid down by the Reserve Bank of India, the investment portfolio of the Bank is classified under "Held to Maturity", "Available for Sale" and "Held for Trading" categories.

Valuation

Investments classified under ''Held to Maturity'' are carried at acquisition cost unless it is more than the face value in which case, the premium is amortised over the period remaining to maturity and is disclosed in Schedule 13 after netting off from Interest Income on Investments.

Investments classified under ''Available for Sale'' and "Held for Trading" are valued at lower of cost or market value, in aggregate for each balance sheet classification and net depreciation in aggregate for each balance sheet classification is recognised in the Profit and Loss Account.

Treasury Bills are valued at carrying cost.

Market value, in case of Government and other approved securities, for which quotes are not available, is determined on the basis of the 'yield to maturity' rates indicated by Primary Dealers Association of India (PDAI) jointly with the Fixed Income Money Market and Derivatives Association of India (FIMMDA).

Investments where interest/dividend is not serviced regularly are classified in accordance with prudential norms for classification, valuation and operation of Investment Portfolio by Banks prescribed by the Reserve Bank of India.

Transfer between categories

Reclassification of investments from one category to the other, if done, is in accordance with RBI guidelines and any such transfer is accounted for at the acquisition cost/book value/market value, whichever is lower, as at the date of transfer. Depreciation, if any, on such transfer is fully provided for.

Sale of Investments under Held to Maturity

Realized gains on investments under Held to Maturity ("HTM") category are recognized in the profit and loss account and subsequently appropriated, from the profit available for appropriation, if any, to capital reserve account in accordance with RBI guidelines after adjusting for income tax and appropriations to the statutory reserve.

Accounting for repos/reverse repos

Repo/Reverse repo transactions are disclosed as borrowing/lending transactions and correspondingly the expense and income thereon are treated as interest. Depreciation in their value, if any, compared to their original cost, is recognised in the Profit and Loss Account.

5. Advances and Provisions

Advances are stated net of bills re-discounted, specific loan loss provisions and unrealised interest on non-performing advances. Specific provision for loan losses is made in respect of non-performing advances are in accordance with or higher than the prudential norms on income recognition, asset classification and provisioning pertaining to Advances laid down by the Reserve Bank of India.

Provision for standard advances is made at a rate not lesser than the rate prescribed by the Reserve Bank of India.

6. Fixed Assets and Depreciation

a) Fixed Assets are stated at original cost of acquisition including taxes, duties, freight and the incidental expenses related to acquisition and installation less accumulated depreciation.

b) Depreciation is provided on a straight line basis over the estimated useful life of the asset at the rates mentioned below:

Assets	**Rate**
Vehicle	20.00%
Equipment	20.00%
Furniture	20.00%
Hardware & Software	33.33%
Leasehold Improvements	Over the Primary period of the lease

Assets individually costing Rs. 5,000/- and below are fully depreciated in the month they are put to commercial use.

c) Assets purchased during the year are depreciated from the month that the asset has been put to use in the year. Assets disposed off during the year are depreciated upto the month before the date of disposal.

d) The Bank considers fixed assets as corporate assets of the banking business (cash-generating unit) as a whole. The Bank assesses at each balance sheet date whether there is any indication that an asset may be impaired and provides for impairment loss, if any, in the profit and loss account.

7. Lease Transactions

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Lease payments for assets taken as non-cancelable lease are recognized as an expense in the Profit and Loss Account on a straight line basis over the lease term.

8. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Bank and the revenue can be reliably measured.

a) Interest income on advances, other than on Non-Performing Advances, is recognised on accrual basis.

b) Income from investments other than non performing investments is accounted for on accrual basis except dividend on shares of Corporates and Mutual Funds, if any, which is accounted for on cash basis.

c) Interest income on Non-Performing Assets is recognised only on realisation in accordance with the norms prescribed by the Reserve Bank of India.

d) Commission income on letters of credit is accounted on issuance of the letter of credit. Loan processing fees is recognised at inception of the loan. Guarantee commission exceeding Rs.1,00,000/- is accrued on a time proportion basis over the period of guarantee.

9. Employee Benefits

a) Gratuity

The Bank operates a Gratuity Fund Scheme and the contributions are remitted to a Trust established for this purpose. The Bank makes annual contributions to the Fund based on actuarial valuation carried out by an independent external actuary using the projected unit credit method. The annual contribution payable / paid is charged to the Profit and Loss Account.

b) Provident Fund

The Bank operates a Provident Fund Scheme to which it contributes an amount on monthly basis at a determined rate. The contribution is remitted to a Trust established by the Bank for this purpose and such contribution is charged to the Profit and Loss Account. All employees of the Bank are eligible to receive benefits under the Provident Fund. Interest is payable to the members of such trust at a rate which shall not be lower than the statutory rate of interest declared by the Central Government. Shortfall if any, between the interest earned by the trust and the minimum amount to be distributed is provided for in the year to which it relates.

c) Compensated Absences

The bank provides for long term compensated absences on the balance sheet date based on an actuarial valuation carried out by an independent external actuary.

Short term compensated absences are provided for without discounting the liability.

10. Taxation

The Bank makes provision for Income-tax after considering both current and deferred taxes. The tax effect of timing differences between the book profit and taxable profits are reflected through deferred tax asset (DTA)/deferred tax liability (DTL).

Current Tax is determined in accordance with the provisions of Income Tax Act, 1961 and rules framed there under.

Wealth Tax is determined in accordance with the provisions under the Wealth Tax Act, 1957.

Deferred taxation is provided on timing differences, using the liability method between the accounting and tax statement on income and expenses.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Bank has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Bank re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Bank writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised.

11. Net Profit

The net profit disclosed in Profit and Loss Account is after:

a) Provision for current taxes, wealth tax and deferred taxes on income in accordance with statutory requirements;

b) Provision/write off for loan losses and Investments;

29. Disclosure on derivatives

a. Qualitative Disclosure:

The Bank has very limited exposure to derivatives trading namely forward foreign exchange contracts.

1) The structure and organisation for management of risk in derivatives trading:
Treasury operation is segregated into three different departments viz. front office, mid-office and back office. The primary role of front office is to conduct business, that of mid-office is to ensure compliance in accordance with set norms and policies and that of back office is to process / settle the transactions.

The Bank has in place a Risk Management Committee (RMC) which reviews/approves policies and procedures and reviews adherence to various risk parameters and prudential limits..

2) The scope and nature of risk measurement, risk reporting and risk monitoring systems:

a) Risk Measurement:
For forward foreign exchange contracts, risk is measured through a daily report called Value at Risk (VaR), which computes VaR on the foreign exchange, gaps using FEDAI VaR factors (at 99% confidence level).

b) Risk Reporting and Risk monitoring systems:

Disclosures under the New Capital Adequacy Framework (BASEL II guidelines) for the year ended March 31, 2011

Country Head – India is the head of Indian operations who functions under the guidance of the Head office at Bahrain. The Bank has a full fledged risk management department which looks after the risk functions pertaining to Indian operations. The Risk related policies and procedures applicable to Indian operations are discussed and approved by the Risk management Committee. The head office at Bahrain has a fully equipped risk management department which guides the Indian counterparts on the risk related issues.

Liquidity Risk:

Liquidity risk is defined as the potential inability of the Bank to meet its financial obligations (liquidity needs) due to funding mismatch, The Bank has in place ALM policy which describes the measures for tracking and managing liquidity. It is the Bank's policy to keep part of its assets in high quality liquid assets such as inters bank placements, government bonds, bills and other short term instruments to meet maturing liabilities. The day to day management of liquidity is looked after by treasury with support from Asset-Liability management Committee (ALCO). The monitoring is done by risk management department.

Market Risk:

Market risk is defined as the risk of losses in on or off balance sheet positions arising from movements in market prices of interest rate related instruments, equities, forex and commodity prices.

The Bank has clearly defined policies for conducting investment and foreign exchange business, which stipulates limits for these activities. The Bank has no exposure to equity and commodity markets.

Traditional gap analysis and Duration gap analysis are followed for interest rate risk management. Fixing of IGL/AGL and Forex VAR are followed for managing the forex risk.

Credit Risk:

Credit Risk is defined as the risk of the bank's borrowers or counterparties failing to meet their obligations in accordance with the agreed terms. The goal of credit risk management is to maximize the Bank's risk adjusted rate of return by maintaining credit-risk exposures within acceptable parameters. The bank has well defined policies and procedures for identifying, measuring, monitoring and controlling credit risk in all its activities. Credit limits are approved after thorough assessment of the creditworthiness of the borrower or counter-party including the purpose and structure of credit and its source of repayment. Credit proposals are reviewed by the designated credit officer independently before obtaining approval from the appropriate authority.

Credit growth, quality and portfolio composition are monitored continuously to maximize return and reduce incidence of impairment. The Bank monitors concentration risk by setting up limits for maximum exposure to individual borrower or counterparty, country, bank or industry. These limits are approved after detailed analysis and are monitored regularly.

The Bank's credit administration unit ensures that credit facilities are released after proper approval and against proper documentation. It also monitors excesses over limits, past dues, expired credits, and highlights corrective action immediately.

The Bank has a risk asset rating guidelines and all credits are assigned a rating in accordance with the defined criteria. All lending relationships are reviewed at least once a year and more frequently for Non Performing Assets. The Internal Audit Department conducts independent reviews of risk assets periodically and submits its report to Senior Management/Audit Committee.

It is the Bank's policy to ensure that provisions for credit loss are maintained at adequate levels.

The bank line limits are set by Head Office at Bahrain giving due weightage to political, economic and commercial risks attached to various countries and the size, track record and performance indicator of various banks. These limits are reviewed annually.

Definition of past due and impaired assets (for accounting purpose)

Non-performing Assets:

The Bank has followed the 90-day norm for NPA classification.

Accordingly, an advance is treated as a Non-performing asset when

INDIAN BRANCHES

AUDITORS' REPORT

On the financial statements of the Indian Branches of Bank of Bahrain & Kuwait B.S.C. under Section 30 of the Banking Regulation Act, 1949

We have audited the attached Balance Sheet of the Indian Branches of the Bank of Bahrain & Kuwait B.S.C. (hereinafter referred to as the 'Bank') as on 31st March 2011, the annexed Profit & Loss of the Indian Branches of the Bank for the year ended on that date and the Cash Flow Statement of the Indian Branches of the Bank for the year ended on that date. These financial statements are the responsibility of the Bank's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

In accordance with the provisions of Section 29 of the Banking Regulation Act, 1949, of India read with the provision of sub-section (1), (2) and (5) of Section 211 and sub section (5) of section 227 of the Indian Companies Act, 1956, the Balance Sheet and the Profit & Loss Account are not required to be drawn up in accordance with Schedule VI of the Companies Act, 1956. The accounts are therefore drawn up in conformity with Form 'A' and 'B' of the Third Schedule to the Banking Regulation Act, 1949.

We report that:

(i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit and have found them to be satisfactory.

(ii) The transactions of the Indian Branches which have come to our notice have been, in our opinion, within the powers of the Bank.

(iii) In our opinion, proper books of account, as required by law have been maintained by the Bank in so far as appears from our examination of those books.

(iv) The Balance Sheet and Profit & Loss Account dealt with by this report are in agreement with the books of account;

(v) In our opinion, the Balance Sheet and Profit and Loss Account dealt with by this report comply with the accounting standards referred to in sub-section (3C) of section 211 of the Indian Companies Act, 1956, in so far as they apply to Banks and are not inconsistent with the Banking Regulation Act 1949 and the method of accounting and disclosure prescribed by the Reserve Bank of India.

(vi) In our opinion and to the best of our information and according to the explanation given to us, the said accounts read with the principal accounting policies and the notes thereon give the information required by the Indian Companies Act, 1956, in the manner so required for Banking Companies and on such basis give a true and fair view in conformity with the accounting principles generally accepted in India;

  (a) in the case of the Balance Sheet, of the state of affairs of the Indian Branches of the Bank as on 31st March 2011;

  (b) in the case of the Profit & Loss Account, of the profit of the Indian Branches of the Bank for the year ended on that date; and

  (c) In the case of Cash Flow Statement, of the cash flows of the Indian Branches of the Bank for the year ended on that date.
